CNC HORIZONTAL BORING MILL OPERATOR

ADVANCED MACHINE & ENGINEERING CO.

As a global manufacturer and distributor of precision machine tool components and metal cutting solutions, Advanced Machine & Engineering is located in the heart of Rockford, Illinois, which was recently named by Readers Digest as one of the "15 Best Places to Move to in the U.S." Our 50+ year old company offers a unique work culture with excellent people.

JOB SUMMARY

We have an immediate, 1st shift, full-time opening on one of our large CNC horizontal boring mills. The ideal candidate will need to perform all of their own set-ups and have an excellent understanding of process, tooling, gaging and recognize risk areas of the parts being machined. We have a clean, modern, climate controlled & safe work environment.

We will pay absolute top wages for the right candidate. Relocation assistance and sign on bonus potential, for the perfect candidate. Ideal applicant education, skills and requirements include the following:

ACCOUNTABILITIES

- With provided programs; set-up, operate, and produce close tolerance work in a timely manner
- Maintain a clean & safe work area
- Perform daily maintenance activities, such as checking fluids, etc.

QUALIFICATIONS

- Previous large part machining experience (10+ years)
- Sound understanding of Fanuc G Code programming
- Strong math & problem-solving skills
- Must be able to work in a team/group environment
- Machine Type: Ikegai NB 110T CNC HBM, Ikegai NB 130P CNC HBM
- Education: High school or equivalent

OUTSTANDING EMPLOYEE BENEFITS

- Medical/RX, Dental, and Vision Insurance Plans
- Company Paid Life Insurance
- Disability Plans
- Flexible Spending Plan
- Educational Reimbursement Program
- 401(K) Retirement Plan with Match & Profit Sharing
- Paid Vacation, 10 Holidays
- Annual Company events such as an Employee Appreciation Dinner/Dance, Picnic, Steak Fry, Birthday Gift, Thanksgiving Feast, Years of Service Awards, Performance Bonus Program and performance reviews.
