

Dear Mr. Hatfield:

The design of the SITEMA Safety Catcher K, K/TA, KR, KR/T, KRP, and KRP/T series has been reviewed according to OSHA directive CPL 02-01-043 *Slide-locks - Enforcement Policy, Inspection Procedures and Performance Guidance Criteria* and found it to satisfy the requirements of a “slide-lock” when installed according to the manufacturer’s published guidelines and the criteria set forth in the directive.

For further detail please consult Advanced Machine & Engineering.

Best Regards,

Patrick Emmert  
Intertek Assurance
