

Unclamp Unit LE 92

dimension

gripper contour

technical data

piston area "L"	16,5	cm ²
piston area "S"	16,5	cm ²
hydraulic pressure "L" max.....	160	bar
hydraulic / air pressure "S" min.....	5	bar

features

- passage for air cleaning in unclamped position
- low bearing load
- easy to assemble
- RPM independant

code

0	1
